## DIRECTORS' REPORT

for the financial year ended 31 December 2024

The directors present their report and the audited financial statements for the financial year ended 31 December 2024.

### Principal Activity and Review of the Business

The principal activity of the company is to manage, operate and promote the Joyce Tower as a key cultural tourism attraction and to contribute to Joyce's literary legacy, under licence from Dun Laoghaire Rathdown County Council (DLRCC).

The Company is limited by guarantee not having a share capital.

There has been no significant change in these activities during the financial year ended 31 December 2024.

Joyce Tower & Museum (JTM) is funded predominantly by a grant of €100,000 per annum provided by DLRCC as part of the operating licence agreed between both parties. Under this licence, DLRCC has committed to funding JTM for a period of 10 years. The company does not charge an admission fee to enter the Tower but receives cash donations from visitors.

The major cost to the company are salaries, PRSI and the facility management contract. Annually, these items total approx. €70,000. The balance of the income (grant funding and the cash donations) is allocated to utilities, events, care for collection, repairs and maintenance, insurance, communication etc. Current spending is within the amounts budgeted in the annual budget.

### Governance

In the period since the second AGM, the board has held 12 meetings, plus a day-long meeting devoted to strategy in November 2024 to facilitate the updating of the board's strategic plan and safety statement. Governance issues are discussed at every board meeting and policies are continually under review. A sub-committee has been established with responsibility for Finance and Financial Oversight. The composition of the board has been reviewed continually to ensure that we have the necessary expertise to discharge our responsibilities. One trustee, Ms. Trish Cronin, resigned on 6th January 2025 and was replaced in February 2025 by Ms. Fran Spillane. Fran will serve as the JTM representative on the Charities Regulator Governance Forum. The board has applied for interim accreditation on the Museums Standards Programme for Ireland (MSPI) and has had one inspection to date. The Visual Identity project has been completed with the supply of relevant templates for signage and communication. Visitor numbers were down slightly on last year in line with a general trend in the industry. It is intended to extend the opening hours in the summer months and this should help to increase numbers.

### Manager/Curator

The work of the Manager-Curator Dr. Alice Ryan, whose contract has been confirmed with a highly satisfactory performance review in July 2024 has contributed greatly to the work of the board. Meetings are facilitated by comprehensive reports based on a template derived from the Annual Plan covering administrative, governance and financial aspects as well as issues relating to the physical maintenance of the Tower and to events. These events included the on-going programme of artistic and cultural events focusing on the Tower itself and on its heritage as an iconic element of the legacy of James Joyce.

It is a matter of great satisfaction that Alice has been invited to address an important James Joyce conference in Trieste in late June 2025. There is no doubt that this will enhance the profile of the Tower among scholars and is an affirmation of the scholarship of the manager/curator herself. The lecture she will deliver will be based on the Tower collection.

Alice has also attended a number of training events during the year on topics related to her work, including management of volunteers. It is worth noting that a board member Andrew Basquille also addressed a Joyce conference in Rome.

Alice has also conducted a well-attended course on Reading Ulysses during the year.

It is greatly to Alice's credit that she has been successful in securing grant support for many of our activities, most recently the grant for our website.

### Collection

The Tower Collection is the property of Fáilte Ireland who have licensed it to Dún Laoghaire Rathdown County Council. An annual meeting takes place between the curator, DLR and Fáilte to consider any issues arising, including additions. A comprehensive paper conservation programme has been completed and attention is now being given to conservation of some other artifacts, including the Joyce waistcoat. An acquisitions policy and a disposal policy have been adopted. Notable additions to the collection in the summer of 2024 included a copy of The Lovesongs of

Connaught by Douglas Hyde and the Gerry O Flaherty archive.

The Manager/curator has made imaginative use of interns to assist with routine matters regarding the collection.

The Collection is the subject of a publication currently being written by the Manager/curator which will be a valuable resource and available for sale to visitors.

### **Friends of Joyce Tower and Museum**

The Tower has a large number of Friends, many of whom are also volunteers in the Tower. Many attend Joyce related courses, including Finnegans Wake in Fitzgeralds Pub, or Alice's Ulysses course in the Tower. They also arrange various trips and lectures. A particular highlight was the publication of Heartbeats of the Joyce Tower which captures the volunteer experience, and which was launched on October 8th 2024. This was funded by a residual fund donated by the earlier FJT organisation. A trip to Galway exploring Joyce links and a lecture on George Moore were also organised. A visit to Paris took place in May 2024 which brought us around Joyce related sites in that city. We were also honoured to be invited to the Irish embassy there by His Excellency Niall Burgess, a former Saturday volunteer himself!

The Volunteers programme in Joyce Tower is unique and adds a quality to the experience of visitors to the Tower that is evident in the remarks they make in the visitors' book. It is hugely interesting to the visitor to have an introduction to Joyce's work and to the Tower delivered by a knowledgeable and enthusiastic evangelist!

Training of volunteers. Alice organised a series of training workshops for volunteers in the course of the year. This includes familiarisation with the collection and health and safety.

### **Financial**

Brian Rankin has been appointed Treasurer to the board and a Finance subcommittee has been established under his direction. The subcommittee has met twice and terms of reference have been agreed. Also prepared are the financial policies and guidelines.

### **Events**

The manager/curator organises three different major events in the course of the year: Bloomsday, which occurs each year on 16th June and is a highlight for many Joyceans; Joyce birthday celebrations around the 2nd February, and Joycenights, a recent innovation marking the period when Joyce stayed in the Tower in September 1904. All of these events were very well supported by Friends and the general public, and the Bloomsday events in particular attracted significant media attention.

The Tower participates in DLR Coastal events organised by DLR

Some smaller events including an art exhibition and a presentation by the New Lacanian School also took place

### **Dún Laoghaire Rathdown County Council**

The board is grateful for the very committed support of Dún Laoghaire Rathdown County Council throughout the year. Joyce Tower and Museum CLG is of course licensed by DLR to manage the Tower and has two representatives on the board, Tourism officer Dave Lawless and Heritage Officer Deirdre Black. The Tower receives the major part of its funding from DLR and we are delighted to welcome An Cathaoirleach to the Tower on Bloomsday each year. The DLR Lexicon has hosted many of our events and provides a meeting room for our board meetings. The Tower also benefits from the free Shuttle Bus which brings tourists down along the coast with a handy stop in Sandycove.

It was also gratifying to be name-checked by Minister Catherine Martin at the launch of the new tourism strategy.

Séamus Ó Canainn (Resigned 19 April 2024)

In accordance with the Constitution, the directors retire by rotation and, being eligible, offer themselves for re-election.

### Future Developments

#### Building

The physical condition of the Tower building has been a matter of acute concern to the board. A report was commissioned from Shaffrey Architects to address two aspects in particular, water ingress and the installation of a stairway where there had been one originally. The latter would also improve health and safety standards in the building. The outline scheme devised also included the provision of more adequate accommodation for the manager/curator. Estimated cost for the work comes to €625,000 and an approach for funding will be made in the near future to the OPW who are ultimately responsible for the physical fabric of the Tower. The manager/curator has prepared a comprehensive document, a Case for Support which will be presented to funding bodies. This is an urgent priority.

Day-to-day irritants include the inadequate kitchen and toilet facilities and the very draughty front door. The pigeon problem has been addressed to a satisfactory degree for the moment.

#### Website

The Tower website is in urgent need of complete overhaul and a process is underway at the moment to do so. We have just received confirmation of a Heritage Council grant to undertake this task. A working party led by board members Helen Gallivan and Deirdre Black and including Alice has been established and a comprehensive specification document has been prepared. This is a top priority for the immediate future. We must harness digital technology to engage with national and international audiences. It should also be a vehicle for fundraising. We received €7,074 of an approved grant amount of €26,397 during the financial year.

### Post Statement of Financial Position Events

## **DIRECTORS' RESPONSIBILITIES STATEMENT**

for the financial year ended 31 December 2024

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **INDEPENDENT AUDITOR'S REPORT**

## **to the Members of Joyce Tower & Museum CLG**

### **Report on the audit of the financial statements**

#### **Opinion**

We have audited the financial statements of Joyce Tower & Museum CLG ('the company') for the financial year ended 31 December 2024 which comprise the Income Statement, the Statement of Financial Position, the Statement of Changes in Equity and the related notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council, applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2024 and of its deficit for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 4 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### **Other Information**

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2014**

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

# **INDEPENDENT AUDITOR'S REPORT**

## **to the Members of Joyce Tower & Museum CLG**

### **Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

### **Respective responsibilities**

#### **Responsibilities of directors for the financial statements**

As explained more fully in the Directors' Responsibilities Statement set out on page 8, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [www.iaasa.ie/wp-content/uploads/2022/10/Description\\_of\\_auditors\\_responsibilities\\_for\\_audit.pdf](http://www.iaasa.ie/wp-content/uploads/2022/10/Description_of_auditors_responsibilities_for_audit.pdf). The description forms part of our Auditor's Report.

#### **The purpose of our audit work and to whom we owe our responsibilities**

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.
